DECEMBER 9th TO BE GALA DAY FOR REPUBLICANS

Greatest Day in Republican History in Kentucky When Ed Morrow Takes the Oath of Office—Many Nominations are Being Made.

Edwin P. Morrow will take the oath of office as Governor December 9, after having been swept into office at the head of the entire Republican State ticket by an unprecedented majority for the party which is likely to pass the record majority of 31,000 attained by Governor McCreary in 1911.

The previous Republican high-water mark was 18,300, recorded by Governor Willson in 1907.

Only one Democratic State officer won, he being Frank N. Burns, of Paducah, running for Railroad Commissioner in the First district. J. Sherman Cooper, of Somerset, defeated Sid Douthett, of New Castle, in the Second district, and in the Third E. C. Kach, Republican, of Jackson, had no opposition.

Republicans throughout the State are discussing plans for the inauguration of Mr. Morrow. It was generally agreed that it would constitute one of the gala days in the history of the party in the State. The Chief Justice of the Court of Appeals will administer the oath.

It has been twelve years since a Republican Governor took the oath of office in Frankfort. It is planned to signalize the event in a way long to be remembered by Republicans. Leaders in all parts of the State have canceled engagements for Dec. 9 and the day will find them in Frankfort by the hundreds.

Great plans for this day are being made by Mason county Republicans. At least fifty are expected to be in Frankfort on that day taking with them the famous Boys' Band. Plans are now being made for an extra train to carry the delegation.

MEETING AT STONE LICK CHURCH SUNDAY AFTERNOON

There will be a meeting at the Stone Lick Baptist Church near Orangeburg on next Sunday afternoon at 2 o'clock in the interest of the Baptist 75 Million Campaign. MISS SALLIE BURROWS SERENADED BY BAND

The Maysville Boys' Band Thursday night serenaded Miss Sallie Burrows, one of Maysville's most popular school teachers, who has been confined to her home as an invalid for some time. Miss Burrows greatly enjoyed the music the youngsters made for her.

The members of the Holy Name Society of St. Patrick's Church will receive Holy Communion at 8 o'clock mass Sunday morning.

MASON COUNTY WINS FIRST PRIZE AT LEXINGTON SHOW

John Dorn, True to Form, Carries Away Big Honor in Lexington Tobacco Fair.

There's no use talking, you can't hold John Dorn, of Dover, back on taking the big money as a tobacco raiser. Long he has been declared the champion tobacco grower of the state of Kentucky. When ribbons were tied at the big Lexington tobacco show yesterday Mason county again came into the limelight as the best tobacco county in the state when Mr. Dorn carried away the "big prize." The prizes won by Mr. Dorn were: first prize of \$60, for twist wrapper; first prize of \$25 for bright leaf, and first prize of \$25 for Red Leaf.

Messrs. Thomas and Dietz, of Dover, won second prize of \$25 for twist wrapper.

This should attract much attention to Mason county as a tobacco county. Mr. Dorn has carried away first prize at the Kentucky state fair a number of years and is always the big winner at the Maysville Corn and Tobacco Fair. The winning of these prizes for Mason county is worth thousands of dollars to Mason county tobacco growers.

He was given a nice offering last night.

WOMANLESS WEDDING PROVES GREATEST FUN SHOW OF THE SEASON

Washington Theater Filled With Maysvillians Who Laughed Their Sides Sore at Prominent Business Men Taking Parts of Women For Poor Kiddies.

There was nothing to it but yet every person who spent their money for tickets to the "Womanless Wedding" at the Washington Theater last night got their full dollar's worth and then some. Jimmy Rasp, a flower girl, was worth the entire price of admission to say nothing of Billie Stockton and Eugene McCarley.

Every fellow who took part was good and as they came onto the stage from the aisle announced by McCarley as the bride, they produced a volume of laughter from the audience that nearly caused the fire bell to toll, the building was rocked so violently.

Of course, one expected Billie Stockton to be there for Billie is always found where he can help the poor kiddies of the community. It was also natural to expect him as the bridegroom for in this role he could give the audience the benefit of that humor he possesses in such a large quantity. John Frazier as the little girl, could recite "Twinkle, twinkle little star" to perfection and Leslie Smoot, as the little boy, was some "recter" too. No wonder Billie was proud of them.

Ree Kirk as the bride's mother was some receiver and was gorgeous in gown and black. The other characters who took their parts well were: George Kirk, Maurice Kirk, Sam McCarley, John Watson Matthews, Myron Merz, Harry Sulser, George Fitzgerald, Fred Cogan, George Royle, Leon Squires, George Frank, Newell Stickley, Horace Clark, John Kinsler, Dr. Kroner, C. C. Hopper, Robert Toup, J. C. Burwell, Dr. J. H. Hutchings, William Geisel, William Gentry and Alfred Peed.

Gordon Marsh as the bride was a scream while "Bobbie" Willocks as the groom could not be improved upon and Hal Curran tied the knot so that it can never be broken. George Kirk as the best man was the bride's father and did well with it.

Newell Stickley went through the performance of a solo in such a perfect manner that there were many who did not know that Mrs. Alfred Peed, standing behind the wings, was doing the real singing all the time.

The show was a real hit with the public and there was quite a neat sum realized for the City Mission to carry on its work of relieving suffering among the poor of the community this winter.

400,000 BUSHELS OF CORN SWEPT AWAY IN RIVER

Portsmouth, Ohio, November 7.—Four hundred thousand bushels of corn, it is estimated, have either been damaged or swept away in Selco county by the sudden rises in the Ohio river, which is nearing the 45-foot stage, but rising a bare inch an hour.

Wet corn selling at \$1.25 a bushel, the loss to local farmers is enormous. They were unable to obtain help to cut and house away the crop although men were offered as high as \$1.50 an hour. Back water from the Ohio river entirely cover the rich Selco corn lands.

ARGUMENTS IN ELECTION CONTEST TO BE HEARD TOMORROW

Circuit Judge C. D. Newell will be in Maysville Saturday morning to hear arguments in the Purdon-Dodson election contest in the Third ward. Mr. Purdon is asking for a permanent injunction against the election commissioners and is also asking orders from the court to grant him the election certificate so that he may qualify as councilman in the Third ward instead of Mr. Dodson. Attorney James M. Collins represents Mr. Purdon while Worthington, Cochran, Brown and Reed represent Dr. Dodson. The outcome of tomorrow's trial will be watched with much interest.

MISS BERTHA HOPKINS DEAD

Miss Bertha Hopkins, aged 31 years, died at the home of her parents, Rev. and Mrs. J. F. Hopkins at Sardie, this morning at 4:45 o'clock after an illness of about two years. She is survived by her parents and three brothers, Prof. D. A. Hopkins, of the Sardie High School, Andrew Hopkins, of Cincinnati, and William I. Hopkins, of Atlanta, Ga. Funeral will be from the Sardie M. E. Church Sunday morning at 11 o'clock and burial will be at Shannon.

NO TRACE OF BEAR PAYNE

Up to this afternoon the sheriff's office has found no trace of "Bear" Payne, the negro who shot and seriously wounded a colored woman yesterday in the Mill Creek neighborhood. Payne seems to have skipped the country but a warrant charging him with shooting and wounding with intent to kill has been issued and will be served on him at the earliest possible time.

ASKS FOR DIVORCE

In the Mason Circuit Court Henry Jones has brought suit against his wife, Belle Jones, asking an absolute divorce. He charges her with lewd and lascivious behavior and says that her behavior was such that he had to take his six year old daughter from her and give the child into the hands of his mother to raise.

Jimmie Brown, who has been spending a short furlough here with his parents, Mr. and Mrs. C. T. Brown, of Fifth street, left yesterday for Camp Zachary Taylor to rejoin his company. Jimmie is in several months yet to serve before he will be finally discharged.

The Farmers and Traders Bank will close Tuesday, November 11, Armistice Day.

ANOTHER BREAK CUTS CITY'S WATER PRESSURE

Pressure Drops to 40 Pounds at Noon When Valve in Big Pump Breaks—Repairs Made and Pressure Again Raised.

Another accident such as may be expected at most any time with the old pumping machinery now in use in the Maysville Water Company's plant, cut the city's water pressure down from 150 pounds to 40 pounds at noon today. The same valve which broke a few nights ago, let go again and there was not enough water in the reservoir to keep up the pressure.

For a time it looked as though the city was again to be entirely out of water but workmen about 2:30 o'clock got the valve repaired and the pump was again started. Water is now being pumped direct into the mains and the pressure was brought up rapidly. For several hours elevators could not be operated and on the hill-side people had practically no water. Until the new pumps which the Water Company says they have purchased have been installed, the break down in the old and obsolete machinery can be expected at most any time.

RECEPTION TO BE GIVEN E. T. A. OFFICIALS

Representatives from the Federal Mothers' Congress, comprising the three local and three suburban Parent-Teachers' Associations, met at the Public Library Thursday afternoon and planned for a reception to be given in honor of the National President, Mrs. Henry Schoff, of Philadelphia. State Organizer, Miss Lydia Gardner, of Frankfort, and our own county organizer, Mrs. James B. Ross, who are to be in the city on November 14. This meeting will be of importance to each association in the county and the local council asks that they make arrangements to be present.

11 SALOON KEEPER ARRESTED IN RAIDS

Deputy United States Marshals R. G. Phillips, O. C. Stubbs, Oscar Vest and Spencer Funnell yesterday arrested 11 saloon keepers, of Northern Kentucky, on "John Doe" warrants issued by Mrs. M. V. D. Bell, United States Commissioner, in Federal Court at Covington upon affidavits by officials of the Department of Justice, which charged violation of the war-time prohibition law.

Yesterday's raids brought the total arrests of Kenton and Campbell counties, Kentucky, up to 43 since October 31 under the war-time prohibition act.

CAMPAIGN GOES WELL

The 75 Million Campaign is progressing beyond expectation in the Braeken Association. It is looking good every place we have been. We will meet with the Stone Lick Baptist Church Sunday afternoon at 1 p. m. to present the campaign and its needs. A hearty welcome is extended to all.

The Fleming Circuit Court will be finally adjourned today. Judge Newell returns tonight.

SENATE IS LOST THROUGH FAILURE TO MAKE FIGHTS

Six Districts Allowed to Go By Default Where Republicans Might Have Won Plurality—This District Goes Republican.

Failure on the part of the Republicans to bring out candidates in districts which they regarded as safely Democratic cost them the control of the 1920 state Senate.

In six senatorial districts the Republicans allowed the election to go by default, offering no opposition to the Democratic nominees. In our own district, the Thirty-first, they would have carried by a substantial majority over Allen H. Poinst, Democrat. This district is composed of Bath, Fleming, Mason, Menifee, Powell and Rowan counties.

Had the Republicans nominated a candidate in this district the vote in the 1920 Senate would have been tied, nineteen Republicans and nineteen Democrats. The Republican lieutenant governor, Mr. Ballard, who presided over the Senate, could have broken this tie in favor of his party.

The latest figures on the legislative races show that the complexion of the next General Assembly will be as follows:

House, 55 Republicans, 45 Democrats; Senate, 18 Republicans, 20 Democrats. Republican majority on joint ballot, 8.

The figure given for the Republican House membership includes A. F. Hanbury, who has defeated G. F. Walsh for representative from Trigg County. Hanbury and Walsh had a close race two years ago and the election resulted in a contest. A Democratic House member Mr. Walsh.

The election of A. L. Hamilton as representative from the district comprising all of Fayette County outside of the city of Lexington probably will be contested by his Republican opponent, Logan Shearer. Mr. Hamilton's majority was only twelve. Reports from Fayette county are to the effect that irregularities in one precinct resulted in scores of Mr. Shearer's friends being deprived of the opportunity to vote.

Several other races are close, and the official count may show changes from the result, as reported unofficially. A Republican majority of ten in the House is assured, however.

DRAINAGE EXPERT HERE FOR A FEW DAYS

Mr. Fred F. Shafer, of Washington, D. C., a drainage expert from the U. S. Department of Agriculture, is here for a few days. While here Mr. Shafer will inspect the farm of Mr. Frazee Weaver in the South Ripley neighborhood, and advise a system of drainage.

M. H. S. STUDENTS SUPPORT RED CROSS

Maysville High School Goes 100 Per Cent. For the Red Cross—All Students and Teachers Enroll.

That the students and teachers of the Maysville High School are solidly behind the Red Cross was evidenced at a Red Cross meeting held in the auditorium of the High School Friday morning when every student and teacher in the school enrolled as members of the Red Cross for the year 1920.

If these young people are willing to make sacrifices, as they must do for most of them have no income from any work they do, surely every adult in this community who hesitated to enroll for the ensuing year should be ashamed of themselves not to do so, for this is no charitable institution, but a practical organization for the relief of suffering humanity. You might be the next one needing its ministrations. Let this paragraph stick into your brain. Fifty per cent officers in Mason county. No salaried officers. No expense except nursing, medicines and ambulances.

Can you beat it? Have a heart; give a dollar!

THANKS FOR CLOTHING

We wish to make grateful acknowledgment to the people of Maysville and Mason county for their contributions of clothing for the Armenians and Syrians. The contribution was almost entirely from the city, only a few packages coming from the country. The rain, perhaps, hindered the work there. We wish to express our appreciation of the work of the Settlement Club for collecting these clothes, and Mr. Joseph Dodson for receiving and packing them which he did with characteristic care and pains. The quality of the clothing was extra good, much of it seemed as good as new. No doubt this consignment of nine hundred pounds will save many lives and bring great comfort.

J. J. DICKEY, County Chairman

Thewett, state director of the Red Cross Christmas Seal campaign, were speakers at a conference luncheon of the workers in the campaign for the eastern district of Kentucky, of which Governor Charles M. Auerbach, of Atlanta, regional secretary; Mrs. Deslin Breckinridge of Lexington, prominent in tuberculosis work in Kentucky for years; Governor Harris, and J. Sherman Porter, of Lexington. Governor Harris presided and called attention to the generosity of Kentucky people in public health and war drives, showing by the result of Tuesday's elections that the people had been very generous, "even to the Republicans." Among the well-known Kentuckians in attendance at the conference besides the speakers were:

If you had your choice between giving up everything you have in this world and losing your eyesight, I am sure you would keep your eyes. IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."—Mrs. LIZZIE COURTNEY, 103 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

Your Part and Hers

Good telephone service depends not only upon the telephone equipment and the skill and intelligence of the telephone employees, but also upon the co-operation of the telephone USERS. It is the responsibility of the calling person to be sure to give the operator the right number, speaking slowly and distinctly. The operator's responsibility is, in turn, to answer the caller's signal promptly and to give the desired connection quickly and accurately. Still further, the called person co-operates towards good service BY ANSWERING PROMPTLY; and each helps by speaking distinctly and by practicing courtesy and patience under all conditions.

The Clothing Situation

For men and boys is very acute and the tendency for higher prices continues. While merchants are running all over the country trying to secure modern merchandise, fortunately the us. we had the foresight and nerve to go into the market when conditions were more normal, thereby, securing first choice of patterns and materials, getting them into the house for display and sale at reasonable prices, for which the public seems duly grateful by the way they are buying of us. Every day finds new goods from early purchase coming in to fill up our depleted stocks. Even under these wonderful circumstances we would advise an early purchase of Suits, Underwear, Wool Shirts, Hosiery, Mackinaws, Sweaters, Hat and Men's Overcoats. Children's Overcoats are, however, very scarce at the present time but we have always had a few to show and in a few days will have a full and complete stock.

Two experienced men added to our sales force to care for our increasing business.
